RAHUL S. PATIL

Senior CNC & VMC Programmer | Machinist

rahul.patil.sample@example.com | +91 98220 12345 | Kolhapur, Maharashtra

---

PROFESSIONAL SUMMARY

Results-driven CNC & VMC Programmer with 5+ years of hands-on experience in manufacturing, ferrous casting machining, tooling selection, and cycle-time optimization.
Expert in Fanuc and Siemens controls, Mastercam 2D/3D programming, and GD&T compliance.

EXPERIENCE

Senior CNC Programmer - Precision Components Pvt Ltd, Kolhapur (2022 - Present)

- Programmed 3-axis and 4-axis VMC machining centers for graded iron casting components.
- Reduced cycle times by 14% through optimized toolpaths and high-feed milling strategies.
- Collaborated with QA team to resolve machining deviations and PPAP documentation.

CNC & VMC Operator - Auto Casting Works, Hatkanangale (2019 - 2022)

- Operated Twin-Spindle CNC Lathes and Vertical Machining Centers.
- Conducted first-piece inspection using vernier callipers, micrometers, and height gauges.

EDUCATION & CERTIFICATIONS

Diploma in Mechanical Engineering (2019) - Government Polytechnic, Kolhapur
Certified Mastercam & Fanuc CNC Programming Specialist (2020)

TECHNICAL SKILLS

Controls: Fanuc 0i-MF, Siemens 828D, Mitsubishi | Software: Mastercam, AutoCAD
Inspection: CMM Basics, Surface Roughness Tester, Dial Gauges, GD&T
